DEFENDER MIST™ | Instantly Opens Airways + Freshens & Sanitizes Face Masks

*DefenderMist™ allows you to take the necessary steps to help protect yourself as well as others in your home and community. The Centers for Disease Control have identified mask wearing as a substantial first line of defense to keep respiratory droplets from reaching others to aid with source control. Your necessary defensive secondary **MUST** include DefenderMist™, which is our proprietary sanitizing and aromatizing blend, 5 years in the making. With DefenderMist™, you will not only protect yourself and others around you from viral and other infections, but you'll also have a significantly better chance of being able to breathe properly with the vaporizing effect of our blend.*

Scientists have touted DefenderMist™ as the first “Opened/-Closed” blend made available to the public. DefenderMist™ will effectively Open your airways, while simultaneously Closing down the air borne droplet gateway.

The Centers for Disease Control (CDC) have directly stated...“- Adaptations and alternatives should be considered whenever possible to increase the feasibility of wearing a mask”.
